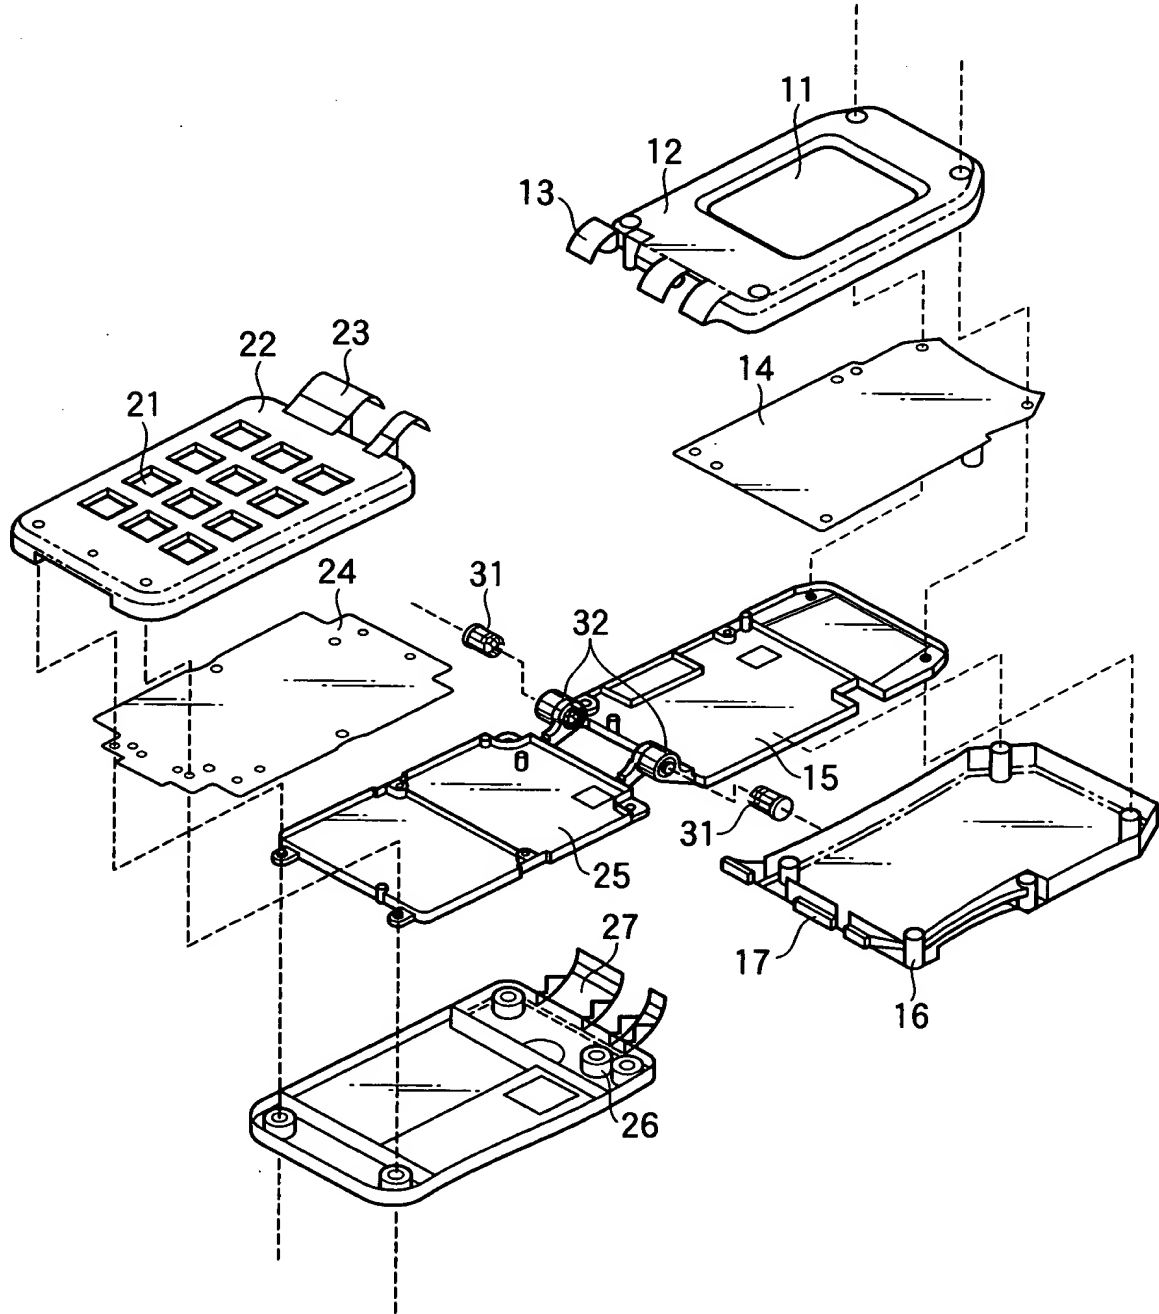

FIG.2

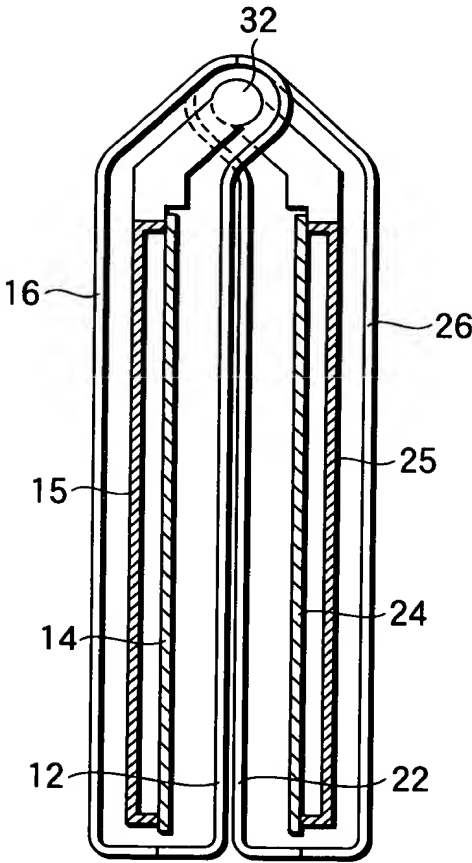

FIG.3

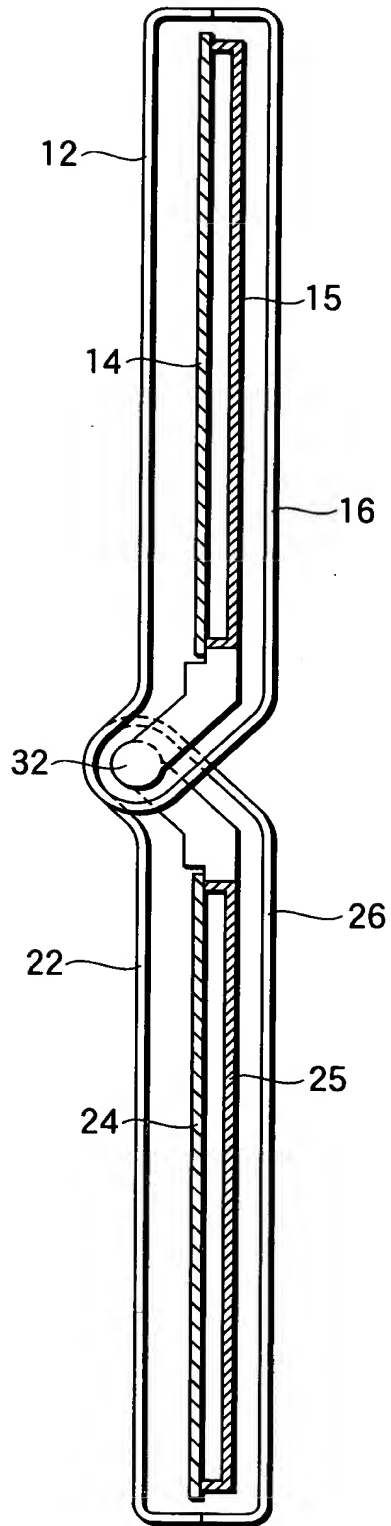

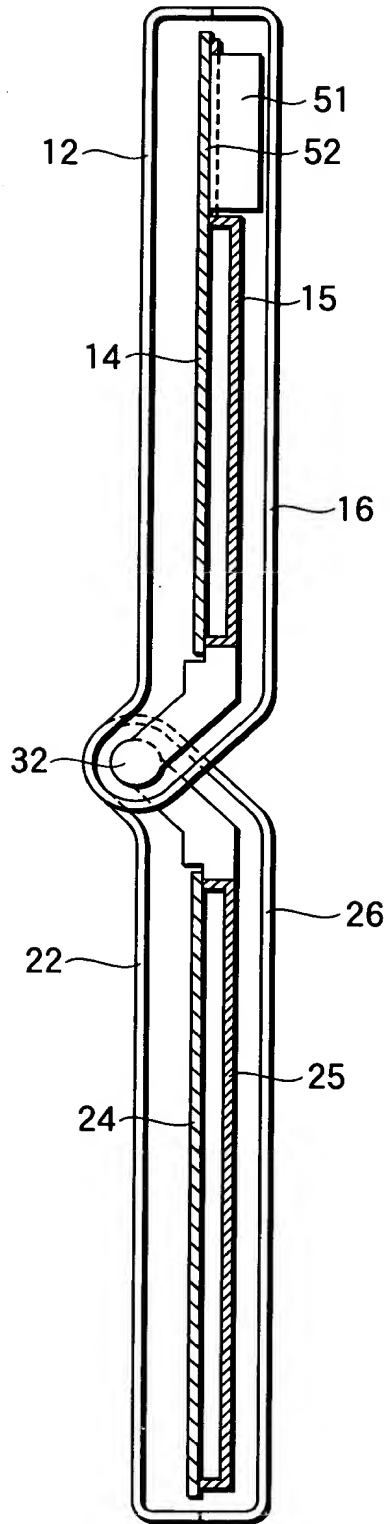

FIG. 3

This diagram shows an exploded perspective view of a frame assembly. It includes two rectangular frames, labeled 15 and 25. Frame 15 is positioned at the top right, and frame 25 is at the bottom left. Between them are four corner brackets, each labeled 32. A separate fastener, labeled 31, is shown above the brackets. The fastener 31 has a hexagonal base and a threaded section. The brackets 32 are designed to fit into the corners of the frames 15 and 25, and the fastener 31 is intended to secure them together.
